Topic: III use of Has/Have/Had

Read the sentences given below.

- (i) I have a ball.
- (ii) He has a ball.
- (iii) She has a bat.
- (iv) we have a ball and a bat.

- The words has and have in the above sentences tell us what the persons possess.
- The verbs has/have are also used for things people do, and things people get. They are verbs in the present tense.

Know more:

- we use has and have to talk about what someone or something possesses.
- we use them to show that the sentences are in the present tense.
- we use have for ourselves and for the person we are talking to.

Here are some examples

- (i) I have a red dress.
- (ii) you have a blue dress.

- we use have with plural nouns and pronouns as in these sentences

- (i) They have a cricket bat.
- (ii) we have a picnic basket.
- (iii) The children have a red ball to play with.

• we use has with singular nouns and pronouns.  
*Read these sentences.*

- (i) She has a beautiful smile.
- (ii) He has brown hair.
- (iii) The dog has a fluffy tail. It has long ears.

• we also use had to talk about what someone  
or something possesses.

• The word had is used to show that the sentences are in the past tense.  
*Look at these sentences.*

- (i) I had a red dress last year.
- (ii) you had a blue dress long ago.
- (iii) she had a basket ball when she was a child.
- (iv) He had a brown cap when he was young.
- (v) The dog had a red ball to play with yesterday.

Unit 1 - numbers

Numerals and number names -

Write the numerals means that the given number is to be written in digits.

Write the number name means that the given number is to be written in words.

In a four digit number, the first place from the right is one's place, the second place is ten's place, the third place is hundred's place and the fourth one is thousand's place so we are to read and write accordingly.

*note:-* While writing numerals and number name write down places above each digit.

*e.g* Write the numeral -

1. Five thousand three hundred nine

	Th	H	T	O
	5	3	0	9

Write the number name :-

Th	H	T	O	
1	6	8	5	- One thousand six hundred eighty five.

For homework :- Write the numerals :-

1. One thousand nine hundred eighty five -
2. Two thousand thirty four -
3. One thousand six hundred -
4. Two thousand four hundred eight -

Write the number name :-

1. 1 6 8 5 -
2. 2 9 1 4 -
3. 1 3 6 7 -
4. 3 0 0 0 -

Answer the following -

In which year you were born?  
Write the number and number name  
for that.
