

SUBJECT : ENGLISH PART-ITopic — Plurals (Revision)

Naming words can show the number of a particular thing. When there is only one of a naming word, it is said to be a singular naming word.

When the naming word shows that there are more than one of a particular thing, it is said to be a plural naming word.

Note → Do the following exercises in the grammar book. It will be discussed in the class also later. ~~Some~~ need to worry those who are not having grammar books.
