• Use of is, am ,are Content +Exercise

Topic-I Use of 'Be' [is, am, are]

- (i) I am jumping.
- (ii) She is reading.
- (iii) we are dancing.

- The underlined words in the above sentences indicate the present form of 'Be'.
- They function as helping verbs.
- They tell us how people or things are now.

- we use am with I.  
eg. I am watching a movie.  
I am cleaning the room.

- We use is when we talk about one person or thing.  
eg. She is cooking dinner.  
He is chopping vegetables.  
The dog is playing.

- we use are when we speak about more than one person or thing.  
eg. you are going to market.  
We are decorating the house.  
The birds are flying.
