# Betty Botter Bought Some Butter

© FEEDING FOR FUN 4

**SCAM PAGE** Betty Botter bought some butter,  
But, she said, this butter's bitter;  
If I put it in my batter  
It will make my batter bitter.  
But a bit of better butter  
Will make my batter better.

So she bought a bit of butter  
Better than her bitter butter,  
And she put it in her batter  
And the batter was not bitter.  
So, 'twas better Betty Botter  
Bought a bit of better butter.

### For Teachers & Parents

This poem is an enjoyable tongue-twister. You may help the students understand the meaning of the lines, but the real fun lies in reading the lines without stumbling. You could ask the students to underline the sounds that are repeated. You could also ask them if they know any tongue-twister in their mother tongue.
