## Unit 1 - NUMBERS

Page No. 1.

Date 13.4.2020

### Numerals and number names

Write the numerals means that the given number is to be written in digits. Write the number name means that the given number is to be written in words.

In a three digit number, the number at first place from the right side is one's place, the second place is ten's place, the third place is hundred's place. So we have to read and write it accordingly.

NOTE: while writing numerals and number names write down place above each digit.

e.g.  $\begin{matrix} H & T & O \\ \rightarrow (i) & 2 & 5 & 6 \end{matrix} \Rightarrow$  Two hundred <sup>and</sup> fifty six

(ii)  $\begin{matrix} H & T & O \\ & 4 & 0 & 3 \end{matrix} \Rightarrow$  Four hundred and three

Topic: My Body

Hello kids!! Here I am with a new topic "My Body".  
Our body has many parts. Each part has a different name.

HEAD  
NOSE  
NECK  
CHEST  
STOMACH  
HAND  
KNEE  
FEET  
EYES  
MOUTH

Now, children learn all these parts and write these in your notebook.

**HEY!! It's that simple!!**

Do it in a neat handwriting.
