Snap homework

For Class Nursery

School will now be using a New Mobile Application **Snap Homework** to Communicate with Parents.

This app will allow teachers to easily communicate with parents

- Parents will receive classroom updates, homework, worksheets and messages from the teacher through this application
- Parents need to Sign-in only once
- Both Parents are requested to **DOWNLOAD** this **FREE** app on their phones

This application will enhance teacher-parent communication while supporting an e-learning initiative to reduce use of paper:
