Word Problems Do in fair copy

1. My school library has 8735 books. Out of these, 2731 are in Hindi and the rest are in English. How many books are there in English?

Solution :

		Th	H	T	O
Total books	=	8	7	3	5
Hindi books	=	− 2	7	3	1
English books	=	6	0	0	4

Thus, there are 6004 books in English.

SUBJECT-SCIENCE

LESSON - 1
Food and feeding habits of animals

Animals that take in liquid food:

- These animals have long thin hollow tube that they used to suck the food into their mouth.
- Butterflies and bees use this tube to suck nectar from flowers
- Mosquitoes and leeches suck blood from the bodies of other animals
- Some animals, like cat and dog lap up milk and water with their tongue.
- This method of taking in liquid is called lapping.

Food Chain

- The sequence of transfers of energy in the form of **food** from organism to organism.
- E.g. A deer eat grass and a lion eats deer they form a chain the chain is called a food chain.

   Grains (from plants) ⟶ Rat ⟶ Snake ⟶ Eagle

- A food chain always begins with the plant because plants make their own food
- All animals depend on plants directly or indirectly for their food
