Add Sums (3 digits)

$$\begin{array}{r} \textcircled{1} \cdot \text{H T O} \\ 405 \\ + 331 \\ \hline 0736 \end{array}$$

Ans = 736

$$\begin{array}{r} \textcircled{2} \cdot \text{H T O} \\ 220 \\ + 675 \\ \hline 0895 \end{array}$$

Ans = 895

$$\begin{array}{r} \textcircled{3} \cdot \text{H T O} \\ 111 \\ + 111 \\ \hline 0222 \end{array}$$

Ans = 222

$$\begin{array}{r} \textcircled{4} \cdot \text{H T O} \\ 723 \\ + 146 \\ \hline 0869 \end{array}$$

Ans = 869

## Add Sums (3 digits)

$$\begin{array}{r}
 \textcircled{1} \cdot \text{H T O} \\
 200 \\
 + 500 \\
 \hline
 \end{array}$$

Ans =

.

$$\begin{array}{r}
 \textcircled{2} \cdot \text{H T O} \\
 598 \\
 + 101 \\
 \hline
 \end{array}$$

Ans =

$$\begin{array}{r}
 \textcircled{3} \cdot \text{H T O} \\
 234 \\
 + 560 \\
 \hline
 \end{array}$$

Ans =

$$\begin{array}{r}
 \textcircled{4} \cdot \text{H T O} \\
 717 \\
 + 030 \\
 \hline
 \end{array}$$

Ans =

Topic : 'My HOME' EVS Assignment Grade : 1

Monday.  
Hello kids !! Let's start the new and interesting lesson "My Home"

"This Content is to read and to understand."

Introduction - A house where we live with our family is called our home.

- A house is made up of bricks, cement, wood, mud, stones, iron rods etc.
- A house protects us from rain, heat of the sun, cold, thieves and animals.
- A house has a main gate through which we enter. It has many other doors inside. There are windows that allow fresh air and sunlight into the house. The house has many walls and a roof.

Answers these questions and write in fair notebook

1. What is home?
2. What is a house made up of?
3. Why we need a house?

To Be Continued.

Note :- Test of d-1 'Myself' on Friday.
