DAY- WEDNESDAY

E-CONTENT (HOME ASSIGNMENT)

CLASS- II

SUBJECT- ENGLISH

The image shows a handwritten page of an English assignment for Class II. The page is decorated with colorful floral and butterfly patterns. At the top, there is a header box containing the following information: 'Topic Pronouns', 'Date 29.7.20', 'Page 1.', 'English Grade-2', and 'Wednesday'. Below the header, the student has written a note: 'Note - This content is to read and to understand.' This is followed by a definition: 'A pronoun is a word that is used in place of a noun. He, she, it, they, we, you.' Then, there are five lines explaining the use of each pronoun: 'He is used with a boy or a man.', 'She is used with a girl or a woman', 'It is used for a thing, place or an animal', 'They is used for plural nouns', and 'Exercise or Examples (Just to read)'. Finally, there are five numbered examples: 1. 'Dia is a girl. She is sleeping.', 2. 'Rohit is a boy. He is studying.', 3. 'I have a pet. It is dog.', 4. 'Riya and Tiya are friends. They are in same class', and 5. 'You are my good friend.'

**LS**  
**Food we eat**

Assignment No. 1

Food is essential for all living things. All living things need food to grow. It makes living things healthy and strong. Food gives energy to work and play. We get all our food from plants and animals.

**Food from plants**  
Plants give us cereals like rice, wheat and maize. They also give us pulses like pea, dal and gram. Cereals and pulses together are called foodgrains. Plants also give us fruits and vegetables.

**Food from animals**  
We get milk, egg and meat from animals.

→ All living things need food to grow.  
Food gives us energy.  
Food helps us to stay healthy.  
Food helps us to grow.
