ASSIGNMENT - 1

CH. - 3(TUX PAINT)

Tux Paint is a wonderful drawing program for children. Unlike other drawing/painting programs, Tux Paint has a lot of creative tools, funny animations and magical effects, which make it one of the best drawing software.

Let us look at its unique features:

- Tux Paint is a free software.
- Tux Paint has a drawing mascot, which helps you to know more about it.
- A large variety of tools help the children to create beautiful designs.
- We can add personalised stamps to our drawing once we finish it.
- Funny sound effects are played when we select any tool.
- We can load and save images directly as thumbnails without using any file name.

HOW TO OPEN TUX PEAINT

- Select the Start> All Programs > Tux Paint > Tux Paint(Windowed)

NOTE: - DO THE FOLLOWING BLANKS IN YOUR BOOK

(PAGE NO – 31)

Q1. Fill in the blanks

1. Tux paint has a drawing _____ that helps us to know about Tux Paint.
2. The most commonly used free hand drawing too is the _____ tool.
3. Tux paint saves every file in the form of a _____

NOTE: - DO THE FOLLOWING QUESTIONS IN YOUR

ROUGH NOTEBOOK

Q2. Write any four features of Tux Paint.

Q3. Write the steps to start Tux Paint.
